

Each entrant's Best Run is in **RED**. The class placements are in descending order (first, second, third, etc). The trophy winners in class are marked with **"*"**. A number in parenthesis represents penalty seconds for cones and gates missed or cones tossed.

Next year if ON BOTH DAYS everyone who wants a third run gets to take one then I will accept all three runs for trophy. Right now we're under such time restraints that full fields (23 cars) aren't always able to get three runs.

We only had 18 cars on Saturday but ended up with 30 cars on Sunday. This was my fault for not wanting to turn people down who showed up to register Sunday only to find out I had given out too many Saturday AND Sunday registrations to people (many of whom didn't show up on Saturday anyway.) Mea Culpa.

Thank you to the Jaguar contingent who gave up their third runs on Sunday so we could TRY to get everyone else a third run...Real Class!

Next year you will still be able to sign up for Saturday and Sunday but you will NOT get a VERIFIED Sunday run unless you show up at closing of Registration on Sunday to find out if space is still available. I'm not going to turn down Sunday-only competitors and I'm not going to overbook Sunday next year. That means if you signed up for both Saturday and Sunday and didn't show up for Saturday's run you may find out that Sunday fills up and you end up not running at all.

However, we will retain the system whereby if you run both Saturday and Sunday you can only trophy with your Saturday runs. Otherwise someone who runs both days would get at least four tries to better their time but a Sunday only runner would not.
