GIANT SLALOM

Sponsored By: Oregon Mini Society

Any registered ABFM vehicle can enter, and space is limited. Registration for the Giant Slalom opens in the Main Tent at 10:00 am and closes at 11:15 on both days. You must register Saturday for Saturday runs and Sunday for Sunday runs. There will be NO Sunday registration on Saturday.

Tech Inspection (no loose wheels or batteries, remove loose items from the vehicle) will take place east of the SOVREN race grid starting at 11:20.

We have plotted the course using the SCCA pit, then proceeding into the drag race start area, followed by a spin cone in the drag race area as there is plenty of space for the maneuver.

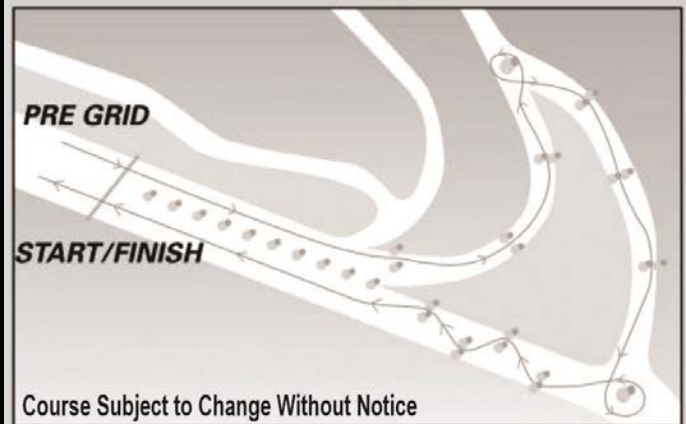

This course equalizes times and offers a more open course for larger cars.

Workers are welcome, and we highly recommend joining us for a better view of the event. Why watch from the bleachers when you can be close enough to smell the drivers?... I mean cars! And, you'll receive a nifty worker T-shirt for your time! First time out, maybe you volunteer Saturday for observation and run the course on Sunday?

Trophies are awarded to drivers with the best times at 2:45 pm Sunday in the main tent.
